Speakers' Profiles

Mr Tan Boon Gin

Chief Executive Officer Executive and Non-Independent Director

Mr Tan Boon Gin joined SGX as Chief Regulatory Officer on 15 June 2015 and is now the head of SGX RegCo.

Before joining SGX, Mr Tan was the Director of the Commercial Affairs Department of the Singapore Police Force. Prior to this, Mr Tan held several appointments at the Monetary Authority of Singapore (MAS) including Director of the Enforcement Division, Director of the Corporate Finance Division and Executive Director of the Investment Intermediaries Department.

Mr Tan was seconded to MAS after serving as a District Judge at Singapore's Subordinate Courts.

Mr Tan's earlier roles include serving as a Justices' Law Clerk at Singapore's Supreme Court and a Deputy Public Prosecutor at the Attorney General's Chamber, where he specialised in corruption and white-collar crime. He had also practised at Messrs Sullivan & Cromwell in New York.

He is a member of the Singapore Institute of Directors Council and serves on the Board of the Inland Revenue Authority of Singapore.

Mr Tan is an advocate and solicitor and holds degrees from the University of Cambridge and Harvard Law School. Mr Tan was awarded the Public Administration (Silver) Medal in 2010.

Dr Rodney Irwin

Rodney Irwin is the Managing Director of Redefining Value and Education at the World Business Council for Sustainable Development. In this role, Rodney is responsible for a portfolio of projects designed to advance risk management, reporting, assurance and the measurement and valuation of natural and social capital. In addition, he is the course director of WBCSD's Leadership Program and leads WBCSD work on education and manages the relationship with WBCSD's education partners.

He holds a degree in Economics, a master's degree in management and a Doctorate where he researched comparative corporate governance and its interrelationship with ethical decision

making and reporting at ISM Paris. Rodney also has a Masters in Sustainability Leadership from Cambridge University. Professionally he is a Chartered Accountant (FCA), a Fellow of the Institute of Chartered Accountants in Ireland, a Certified Fraud examiner, a Certified Compliance and Ethics Professional and a Specialist member of the Institute of Risk Management UK. Rodney sits on The Council of the IIRC, is a Board Member of the Climate Disclosure Standards Board and sits on the Sustainability Council of several global businesses. He is an honorary Professor in the Sustainability Faculty of Leuphana University, Luneberg, Germany, an honorary Teaching Fellow at Lancaster University Management School, and an Executive Fellow at the Yale School of Management.

Mr Mario Abela

Mario Abela is a Director in the Redefining Value team at the World Business Council for Sustainable Development, where he leads projects aimed at transforming performance management, governance and assurance to make sustainability an integral part of mainstream business and investor decision-making.

Mario is a CPA and Chartered Management Accountant. Mario's expertise is in corporate reporting and he has held senior management positions in both the private and public sectors in Australia, Belgium, the United Kingdom and the US. He has extensive regulatory and standard setting experience. Mario is a visiting professor at IESEG School of Management in Paris where he teaches in the Masters in Accounting, Audit and Control programme. He is also an expert advisor to the United Nations Conference on Trade and Development on corporate reporting.

Mr. Andrew Beanland

Andy Beanland is a Manager in the Redefining Value team at the World Business Council for Sustainable Development. In this role, Andy has lead the development and delivery of the Reporting Exchange, a knowledge platform helping business make sense of the reporting landscape. Andy also oversees the work of the annual Reporting matters review process and publications.

He holds degrees in Computing and Management, and Energy & Environment and has 8 years' experience in a range of IT roles, from software and database development to large business critical corporate IT systems.

Ms. Lois Guthrie

Lois Guthrie is a Director in the Redefining Value team at the World Business Council for Sustainable Development. Where she leads the Task Force on Climate-related Financial Disclosure (TCFD) Preparer Forums and the Purpose-driven Disclosure project. Prior to this Lois was a Technical Director at Zurich Insurance Group, the Founding Director of Climate Disclosure Standards Board (CDSB), and the Technical Director at the International Integrated Reporting Council (IIRC). Lois serves on ACCA's Global Forum on Sustainability, is an advisor to CDP and a member of Carbon Tracker's Advisory Board. She studied environmental policy at the Open University and holds an MSc in Responsibility and Business Practice.
